ABOUT TRIVERSE

Triverse isn't just an event—it's a legacy in the making. A dynamic fusion of technology, creativity, and collaboration, Triverse has become the go-to platform for students at Bennett University to innovate, compete, and connect.

Last year, Triverse was supported by sponsors like Dominos, Coding Ninjas, and Kwikpick, drawing a footfall of 3000+ attendees and featuring a prize pool of 75,000 and influencer Kashish Anand. Building on that success, Triverse is back, offering a mix of technical and cultural events for participants to showcase their talents and network with peers.

We are having event collaboration with Qshala under Zerodha giving sponsors bigger reputation and audience.

ABOUT IEEE BU

IEEE BU (Bennett University) is part of the world's largest technical professional organization, IEEE. We have built strong connections with IEEE student branches across colleges in India, fostering collaboration and knowledge sharing.

Our student branch has achieved remarkable milestones, including hosting the most number of events in the region and securing the 3rd position in the Best Emerging Student Branch of the UP Section. These accomplishments reflect our dedication to innovation and creating a vibrant community of learners and creators. Through workshops, hackathons, and technical events, we empower students to explore new technologies.

ABOUT BENNETT

Bennett University, backed by the prestigious Times Group, one of India's largest and most influential media conglomerates, offers a dynamic environment for learning and growth. With an NAAC A+ rating, BU boasts state-of-the-art infrastructure, including Wi-Fi-enabled smart buildings, advanced laboratories, and a well-stocked Learning Resource Centre.

With a footfall of over 10,000 students, Bennett University is a hub of academic and cultural activity. The university is particularly renowned for its BTech CSE program, which alone boasts 8,000 students, making it one of the largest and most sought-after programs in the country. IEEE is one of the most renowned chapter in Bennett University
